TOP FEATURES

1

AIR FRY

Air Fry allows you to make your favorite fried foods with a crispy-on-the-outside, juicy-on-the-inside taste using little to no additional oil. Just toss wings, fries or nuggets into the 13" x 18" stainless steel basket included in your range for crisp results, and after eating, toss the basket into the dishwasher for easy cleanup.

2

5 ELEMENTS

With an extra element, you have the flexibility to prepare your meal without juggling pots and pans, getting you to dinner fast.

3

HIGH TEMP SELF CLEAN

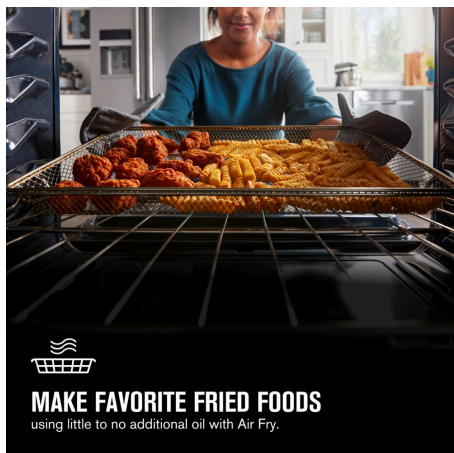

Clean without the elbow grease as high temp self clean works hard with high heat to clean the toughest baked-on foods from your oven.
